FOR IMMEDIATE RELEASE

BRAVO BOUTIQUE, TUCSON AUTHOR AND GIRL SCOUTS TEAM UP TO “SUPPORT THE GIRLS”

Unique Event Scheduled for September 20th

Tucson, AZ (September 5, 2018) – Bravo Boutique and Mel Greenberg, author of *Running With Our Eyes Closed*, will join forces for a fun and philanthropic night out on September 20th. The community is invited to attend. Guests can buy a signed copy of the book and shop in the luxury boutique. A portion of proceeds from the event will benefit the Girl Scouts of Southern Arizona.

“Just a few years ago I became an empty nester,” said author Mel Greenberg. “My children were living on their own, and I struggled to find my voice and direction.” Her passion for writing led her to write the book about a woman in search of her voice while moving through midlife and empty nest syndrome.

Katrina Anderson, owner of Bravo Boutique, believes that “wearing the perfect undergarments not only make you and your clothing fit and look great, but you feel more confident and beautiful.” Luxury Italian lingerie brand Cosabella, a Bravo partner for 11 years is hosting a premier trunk show for the event.

Debbie Rich, CEO of the local Girl Scouts council, said she is “so grateful for Bravo Boutique and Mel’s support of our programs empowering girls, and ensuring that girls of every background can access the lifetime of leadership, success, and adventure that Girls Scouts provides.”

“The idea that the Girl Scouts’ mission is to provide young women with the tools to positively use their voices really appealed to me,” said Ms. Greenberg. Through this unique evening, she hopes to inspire women from the community to connect with their own stories and support future generations.
